

WDC / Water detection rope

Dimensions

Ø3 mm, length - 6, 10, 17, 25, 50 m.

Weight

15 g/m

Operating characteristics

Temperature : Min. -50° C - Max.105° C

Max. distance

225 m

Special Features

Response time - 30 s, Detectable liquids - clean, dirty, distilled water, acids, alkalies, Conductors - Ni/Cu.
